# ON THE SPUR OF THE MOMENT

By ROY K. MOULTON.

Woman is a funny creature:
There is not a doubt of that.
Wears a forty-dollar feather
On a twenty-two-cent hat.

And her little freaks of fancy Are accorded much renown. She will spend ten cents in car fare Just to save two cents downtown.

Hi Huggins's wife takes in washin by the day or week and Hi has saved up enough soap wrappers to get a new jointed bamboo fishin' rod.

According to Uncle Abner.

Mr. Bryan is the man who put the tilt in Chautalkqua.

When anything happens in Central merica they have a revolution first

and after that they try to find out what is the matter.

A scientist says the two-passenger hammick is dangerous. Yes, indeed, if a feller rides in one very often he is liable to git married.

When a feller buys a second-hand oatmobile he never gets more'n a quarter of a mile ahead of old Grim Desnair.

that it comes in the summer instead of in the winter.

It is said that the President frequently is not recognized on the street. That's nothing. President Huerta is not recognized at all.

One way to get the boys to stay on the farm is to pay them wages. Some farmers have never thought of this.

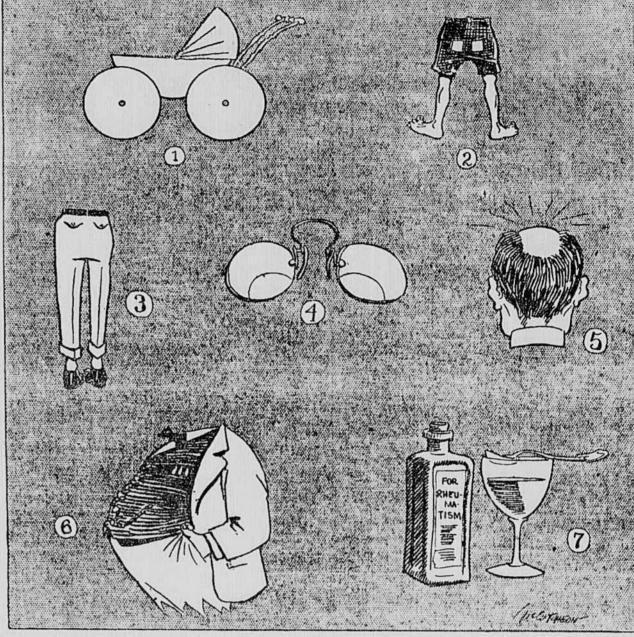

German has invented an airship that will not fall. It will not fall probably because it will not go up.

THE SEVEN AGES OF MAN.
